IMPEACHMENT.

A New Turn in the Impeachment Trial.

At the impeachment trial, yesterday, the rumor that Chief Justice Chase would regard it as his duty to decide questions of law, as they might arise, was verified. Certain testimony being offered by the managers, the counsel for the President objected to its being received. The Chief Justice sustained the objection, holding that the testimony was improperly offered. His right to decide the question was challenged, and the Senate after a long private consultation, adopted a new rule, giving the Chief Justice power to decide all questions relating to evidence, &c., and making it optional with him whether they shall be submitted to the Senate. The case in point was subsequently submitted to the Senate, and decided against the Chief Justice by a strict party vote.

From Bad to Worse.

Despatch to the Cincinnati Enquirer.

WASHINGTON, D. C., March 27.

Every act of Congress is worse, if possible, than that which preceded it, and now legislation of the gravest character is attended with jibes and mocking jeers of radicals over a helpless minority. Mr. Stewart, in the Senate, and Mr. Wilson, in the House, were particularly conspicuous for their presumptuous insolence in discussing the veto message, and so with the impeachment Bill, and ignoring the Supreme Court, the Alabama and Freedmen's Bureau bills, and other legislative measures. The strong est heart may be appalled at the future of our country. A Conservative Senator, distinguished alike for caution and ability, declared to-night there was no escape from our odious political bondage excepting in revolution, and this he regarded as close at hand.

Interesting Disclosures.

A Washington letter-writer makes the following interesting statement. He says:

"At this juncture it would be impolitic to refer to Senators by name, but it is said that the President holds in his possession scores of private letters from Senators—and among them numerous radical—asking for favors at different times, in the matter of appointments, many of which were granted, and the story goes that if these Senators show no mercy toward him, the public may expect to see some highly interesting epistolary correspondence given to the world in the publication of these letters."

Fenians on the Warpath.

New York, March 31.

The Herald's Montreal special says, the garrison is under arms; volunteers throughout the country are ready to be ready; Greek fire has been found in the Irish part of the city of Montreal, and the Government claim to be apprised of Fenian preparations at Buffalo, and St. Albans.

The conscription bill is about to be pressed through Parliament.

Death of the Hon. Moses Sherman.

It is with no ordinary emotions of sorrow, that we are called upon to announce the death, at Orono, Sherburne county, in this State, last Sunday, of the Hon. Moses Sherman, formerly Judge of the United States District Court, for the Territory of Minnesota. He removed from this city to that place six or eight months since, where he entered at once upon a large and successful practice. He was discharging his duties at a term of court distant from Orono, when he contracted a serious cold, and was prostrated by illness. He was removed to his home, where he received the best medical attention, and the most tender care, but they proved unavailing to stay the hand of the destroyer. He lingered until 5 o'clock, Sunday afternoon, when he died in the full possession of all his faculties.

New York, April 1.—The Herald's Washington special says that a plot on foot to add an amendment to Mr. Church's bill, on third reading, making Grant the successor of Mr. Johnson, and rush the bill through under the previous question.

CHIEF JUSTICE CHASE.

What Thad. Stevens and Associates Think of Him.

(Correspondence of a Radical paper.)

The writer of this was summoned to appear before the managers, a few days ago, and, doing so, found Mr. Stevens sitting in a chair, with feet resting on a table, displaying prominently his left club foot; with his deep-set eyes closed, and his hands clasped across his high forehead, while his dark brown wig was pushed back, displaying a few scattered gray hairs.

He seemed in a meditative mood, and it certainly occasioned surprise, looking at the pale, calm, and almost lifeless features to know how he endured the great fatigue of all his labors.

At one end of the table was Boutwell, and at the other Wilson, each plodding over a law book bearing upon the impeachment question, while Williams and Bingham were equally absorbed on each side of the table.

For ten minutes not a word had been spoken, and during that time Stevens remained the same position, when, unexpectedly, and without opening his eyes, he said, "What do you think of Chase's letter to the Senate?" The words came slowly, but distinctly, as if well weighed before uttered. As the question was addressed to no one in particular it was not answered. A minute elapsed, and then came the words, "Wilson, what do you think of Chase's letter to the Senate?"

Wilson looked up from his book, and, glancing toward Butler, answered, "Nothing more than a statement as to his own self-importance," and then quietly resumed his reading. Butler raised his eyes and fixed them upon Stevens, as the latter said, without changing his position, "I've always considered Chase a—"

The Lumbering Business.

From the Taylor's Falls Reporter.

Notwithstanding the deep snows the winter has been favorable for lumbermen in pines. It is estimated by experienced persons that there will be about seventy-six million feet of logs cut this season on the Upper Mississippi and its tributaries, about half of which—thirty-eight million feet—will be cut on Rum River and its tributaries.

On the St. Croix the recent thaw has made the lumbermen rather short, making a difference of about twenty million feet. The number of new logs that will be cut on the upper St. Croix and its tributaries is estimated at eight million. The greater part of the teams have come out of the pines. A few, however, continuing hauling on short roads where the chances are good.

EUROPE.

Abyssinian Expedition—The Captives.

LONDON, March 29.—The war office in this city has army dispatches from General Napier dated at his headquarters, Abyssinia, on the 9th inst. The General expected the first brigade of his army to arrive at Lake Orange on the 10th of March.

The dispatches report that King Theodore is posted, having guns and mortars defending his position, on the table near Latenta or Delanta in the neighborhood of Magdala.

The British captives held by the King were safe and in good health on the 17th of February.

The President has issued an order assigning Gen. Hancock to the command of the military division of the Atlantic, with headquarters at Washington. This division is to be composed of the Department of the Lakes, formerly under command of Gen. Hooker, now on leave of absence, Department of the East, lately under command of Gen. Meade; and the Department of Washington, now under command of Gen. Emory. Gen. Sherman was appointed some time ago to the command of the Atlantic division, but declined.

In Arkansas, the total number of white males over 21 years of age is 70,852, of whom but 43,170 were permitted to register, 27,582 whites being disfranchised. The black males over 21 are 22,169, but the number registered is 23,146, showing about a thousand more registered negro voters than there are negroes of age in the State! Notwithstanding this shameful fraud in registering, the negro constitution is defeated.

A widow commemorative of Bishop Hopkins has been erected by his family in his church at Burlington.

Call for Citizens Meeting.

The citizens of Chaska, and vicinity, irrespective of party, are invited to meet in Caucus at the village School House in Chaska on Saturday evening April 4th at 7 o'clock, for the purpose of nominating a team, ticket to be voted for at the annual spring election.

SCHOOL MEETING.

CHASKA, March 28th 1868.

In pursuance of Notice by Philip Hank the annual School Meeting for the year A. D. 1868 of District No. 5, was called to order by the Clerk Philip Hank. On motion Gustave Dressel was Chosen as Chairman of the meeting and Daniel Stone as Secretary. On motion the meeting called for the financial report of the District which was read and accepted.

On motion voted to keep a school for one year. On motion the above vote was reconsidered. On motion, the first two above motions were laid upon the table. On motion voted to interpret all business before the meeting from English to German and from German to English. A motion to raise a District tax of three mills on a Dollar, Lost. Moved to raise a tax of four mills on the Dollar—Carried. On motion voted to keep a school as long as there was money in the Treasury to pay teachers. A motion to apply the balance of the Special Tax of last year due and remaining unpaid to teaching school, amendment to leave it to the officers of the District to apply so much as was needed for repairing and other incidental expenses the balance for paying Teachers. On motion the following officers were chosen:

Gustave Radolph, Director.

Philip Hank, Treasurer.

Gustave Krayenbuhl, Clerk.

On motion adjourned sine a die.

DANIEL STONE, Secretary.

The School Meeting was largely attended, and much interest was manifested throughout the proceedings. There were a few factious spirits present, who indulged in a little fun of their own. We are pleased to see so much interest manifested, as it argues well for the cause of education.

CITIZENS MEETING.—We publish at the head of our column, by request of many citizens a call for a meeting, irrespective of party, for the nomination of a town ticket. We certainly have no objection, as our town is so small it hardly seems necessary to draw party lines. Democrats and Republicans alike have the prosperity of our town at heart. We hope to see a good and worthy ticket nominated, and have no doubt but such will be the case.

NEW RESIDENT.—Col. L. L. Baxter of Scott, will on Monday become a citizen of Chaska. For the present he will occupy rooms in Mr. Dressel's residence. We welcome the prodigal son back to his first love, now that he sees the error of his ways.

ELECTION OF OFFICERS.—The election of school district officers throughout the county took place last Saturday. Clerks of the respective districts should bear in mind that by the new law it is made their duty to at once report the names of the officers elected, to the County Auditor.

ADMIRAL WILSON.—We understand that Admiral Wilson, of this place was tendered by Mayor Ous of St. Paul, free wharfage for being the first arrival from the Minnesota river at that Port. We say Bull for Charley!

PRAIRIE FIRES.—The Prairies on all sides of us, have been a blaze of light the past week or more. These fires were truly grand sights to behold during an evening, and many an hour has been passed watching the course of the devouring element upon our broad prairies.

GARDEN SEED.—Mr. Bennett, at the Drug Store has just received a large and well assorted supply of Garden Seeds from the well known house of Briggs & Co. of Rochester, N. Y.

EASTER WEEK.—The Catholic and Moravian Churches at this place hold services at their respective churches next week. We do not know the particulars.

SEEDING.—We are informed that our farmers have been engaged the past few days sowing their grain and otherwise preparing the soil for seeding purposes. A much larger area was plowed last fall, than any previous year to our knowledge. With this help and the early spring, and with no unforeseen circumstances, we expect an unusually large yield of the cereal crop at least.

POTATO BUG.—We are informed by Mr. Ellsworth, that he has found upon examination that the ground is infested with the vermin, and apprehends some trouble with them the coming season.

RIVER IRMS.—The St. B. Chippewa Falls passed up last Sunday night, being the first boat of the season. Capt. Alex Griggs taps the bell. She has been assigned to city between Le Sueur and Mankato, running in connection with the Minn. V. R. R.

The Steamer Ariel, Capt. Jas. Houghton went up Thursday morning. She discharged a small amount of freight on her levee, and loaded on quite an amount of bran for up river. Our friend Geo. Walsh, graces the officer, while Sample Moher treads the lower deck. Jno. Griggs is Pilot and Jo. Lindsay Engineer. A noble set of boys.

Messrs. Miller & Co., barge left port Monday morning loaded down to the water edge with wood and brick. We hope she will make her way safely through the piers.

As we write this, it is trying hard to kick up a storm; snow flakes are actually flying in the air and the wind blows a perfect hurricane.

GONE.—Mr. Gregg and family left for Mankato on the Steamer Chippewa Falls last Sunday night. Mr. White and family have moved upon a farm this side of Minneapolis for the summer.

GOOD COOKS.—Ladies, if you would be known as good cooks, and would avoid the mortification of having poor biscuit for tea when you have company, use D. B. De Land & Co's Best Chemical Saleratus, and that only.

ARTHUR'S MAGAZINE.—The April number of this highly chaste magazine is upon our table. Among its contents is a beautiful song, "The Holland's," a continued story in worth far more than the price of the magazine, to say nothing of the many other pieces that adorn its pages.

Mr. Arthur is also the publisher of the popular Juvenile magazine, "The Children's Home," called at our office and see a copy of either magazine.

Carber Items.

Our Special Correspondent.

SCHOOL MEETING.—At the annual school meeting on Saturday last the following persons were elected without opposition as the School Board for the ensuing year.

E. Holmes, Director (or Dictator.)

J. Weinmann, Clerk.

J. S. Letford, Treasurer.

FENCING.—Ed. Goetz is erecting a neat fence around his lot. It adds much to the appearance of the place.

J. S. Letford has bought lumber and will soon put a new fence around his 80 acres near town.

FIRST BOAT.—The Chippewa Falls, first boat of the season went up Sunday night. Capt. Alex. Griggs in charge. She will run hereafter between Le Sueur and Mankato.

PERSONAL.—E. Holmes left for the east this week, also H. Rogers. Henry Zanger will leave the first of next week.

BARON SUNK.—The large new wood barge of the Messrs. Miller & Co. of this place, ran against the piers below Mendota on Sunday striking amidship, causing her to sink immediately. Most of the wood was saved. As yet it is not certain whether the barge is a total loss or not. This is a severe blow on the above firm, but we hope to see them make it up in some other way.

MARKET DAY.—There was a very fair attendance at the monthly cattle fair last Saturday. A large amount of stock changed hands. Our Merchants and saloon keepers were well patronized during the day and evening.

MAPLE SUGAR.—Several of our citizens, J. S. Letford, George Houton and O. P. Bryant are engaged making sugar. As yet they have not over stocked the market.

THE RIVER.—The river is falling slowly at this point. Business on the river not extremely lively.

TOWN ELECTION.—Will take place Tuesday next, April 7th.

THE ROADS.—The extremely warm and pleasant weather with which we are favored, has dried up the roads remarkably, and they are again in traveling condition. Business has also improved in ratio with the roads.

SUMMARY OF THE WEEK

GENERAL NEWS.

The President, on the 27th, issued, through General Grant, an order assigning General Hancock to the command of the new Department of the Atlantic, with his headquarters at Washington.

The Senate Court of Impeachment re-assembled, as per adjournment, at 9:00 President's return to the writ of summons to answer the charges against him. The Chief Justice was in the Chair. Senator Davis, of Kentucky, submitted a motion that the trial should be postponed until all the States now unrepresented in Congress shall have Senators. Rejected—yeas 3; nays 19. The President's counsel read his answer to the several articles of impeachment, a synopsis of which will be found in another column.

A Washington special of the 29th says:

"A great number of lawyers and officials of official life have arrived in the city, and many from a great distance, to attend the trial (impeachment), but have found it impossible to gain admittance. The press should make it known that it will be useless to come to the trial without first addressing the Senators from the State where the party resides, by letter or telegraph, giving the days he expects to be in the city, and receiving tickets in return. Each Senator holds a considerable number of extra tickets to issue daily."

FOREIGN INTELLIGENCE.

A cable special to the New York Herald, dated Rome, 21st, says: "The Pope gave a very gracious reception to Admiral Farragut and suite to day. The Admiral will remain in Rome a month." Another dispatch says he will be obliged to remain at Rome four or five weeks in consequence of the severe abscess which has broken out in his leg.

A London dispatch of the 23d says: "Advices from Abyssinia continue favorable. At last accounts nearly all the troops of the expedition had been sent to high table lands, though the roads were found very bad. The extreme advance had arrived in the vicinity of Lake Ashange and met as yet no hostile opposition from the natives."

Advices from Australia to the 7th instant state that the captain and crew of the schooner Marion were massacred at Solomon Grant Islands, by natives. It was just discovered that the ship General Grant, which left London, May, 1886, was wrecked at Auckland Island, the same month, by being drawn into a large cove, twenty-five fathoms deep. Only twenty-five saved. The ship City of Melbourne was burned at Melbourne.

The Valley Herald
Official County Paper.

BY F. E. DU TOIT.

CHASKA, SATURDAY, APRIL 11, 1893.

TOWN ELECTION.—The election in this town passed off quietly and resulted in the usual way—the election of the entire democratic ticket. Although but about two thirds of the democratic vote of the town was out, still sufficient to elect by a handsome majority.

The following are the officers elected:
Supervisors.—F. Lindecker, Chas. M. John Dunn, Mathias Schmidt.
Town Treasurer.—George Faber.
Clerk.—Frederic E. Du Toit.
Assessor.—Jacob Byhoffer.
Justices.—N. Sheenbourn, I. Grates.
Justices.—J. A. Sargent, H. Schnell.
John Boss, Hilton and Soice were unanimously elected overseers of the highways in their respective districts.

INTERESTING.—We publish an interesting serial story this week from the pen of our County Auditor, which will be continued for four weeks. We hope our readers will bear with us this issue for the little local news given.

NEW GOODS.—Messrs. Faber & Co. have just received a mammoth stock of Dry Goods and Groceries from Milwaukee and Chicago. They are the first in the field this spring with their new stock. Call and see them at their well known stand.

LAWS.—We publish the laws of the last Legislature in supplemental form this issue, handy for preservation.

CROWDED OUT.—We were handed by Dr. Griffin a call for a republican county convention to meet in Chaska on the 9th day of May, but which from necessity is unavoidably crowded out this issue, it will appear next week.

Democratic
Glorious Connecticut! the whole democratic state ticket elected by 2,000 majority, a gain of 1,200. Bully for Connecticut.

Spring Elections all over the country have gone democratic. A slight hint to the rump court, turned high, but low in the lowest degree.

GENERAL NEWS SUMMARY.

THE ELECTIONS.

The reaction in favor of Democracy is still in progress. In Wisconsin, Democratic gains are exhibited throughout the State; while Milwaukee rolls upon anti-Radicalism. In Michigan, the majority against negro suffrage reaches 20,000. In Connecticut, the Democratic majority is stated at 2,000—a gain of over 1,000 from last year. In Illinois, large Democratic gains are shown in Sangamon County, and Cook County is reported to be in the hands of the Democrats. In Indiana, the Democrats have been put to rout. Throughout Ohio, Indiana, and Iowa, the local elections have generally resulted in favor of the Democracy, either by a reversal of the previous political situation, by increased Democratic majorities, or by an important reduction of Radical majorities. Everywhere appear the indications that the political tornado that swept Radicalism from New York, Ohio, and Pennsylvania, last fall, is gathering force to sweep it from the nation next November. Success and defeat are already being predicted. There will be no step backward.

DEAR SIR: About two years ago I was troubled with both inflammation of the kidneys and gravel, when I resorted to several remedies, without deriving any benefit whatever; and, seeing your EXTRACT BUCHU advertised, I procured a few bottles and used them. The result was a complete cure in a short time. I regard your EXTRACT BUCHU decidedly the best remedy
